

EU Green workshops for students - Sustainability Learning in new Formats

14.03.2024 -

The ›Chair of Higher Education Research and Professionalization of Academic Teaching (<https://www.soz.ovgu.de/Hochschulforschung.html>) at Otto von Guericke University of Magdeburg has been awarded a BIP (Blended Intensive Program) under the ›EU Green (<https://eugreenalliance.eu/>) University Alliance. In a total of 5 online and offline workshops on the topic of "Sustainability Learning in new Formats: Micro-Credentials as a powerful tool for curriculum design", interested Master's students can acquire and refine pedagogical and didactic skills. The workshops will take place from September to December 2024 with an on-site phase at ›Atlantic Technological University, Sligo, Ireland (<https://www.itsligo.ie/>). Participation will be acknowledged with up to 10 ECTS credit points.
